CONSULTATION/ADVISORY WORK (CONTINUED)

- “Physical Therapists’ Vital Role in Disaster Management.” *PT Magazine*. June, 2002.
6. Testified as Expert Witness, district court of Canadian County, El Reno, OK. Dec. 3, 1997.

CLINICAL INSTRUCTOR/TEACHING

1. Advanced outpatient orthopedics specialty CI for PT student from Howard University, Washington, DC. June 30-August 15, 2008.
2. Advanced outpatient orthopedics specialty CI for PT student from University of Oklahoma, March 7-March 22, 2005.
3. Advanced outpatient orthopedics specialty CI for PT student from University of Oklahoma, October 2-December 5, 2004.
4. Advanced outpatient orthopedics specialty CI for PT student from Hanzehogeschool, Groningen, Holland. April 19-July 2, 2004.
5. Advanced outpatient orthopedics specialty CI for PT students (2) from University of Oklahoma, October 13-December 5, 2003.
6. Outpatient orthopedics CI for PT student from University of Oklahoma, July 7-August 1, 2003.
7. Assisted with instruction of students of OU’s Physician Assistants orthopedic exam lab, Spring 2000.
8. Special Studies Instructor for OU PT student pursuing individual study in Clinical Research and Advanced Evidence Based Practice, fall 1999.
9. Assisted with orthopedic instruction of Internal Medicine residents conference, fall 1999.
10. Outpatient orthopedics and acute care CI for PTA student from Rose State College, 1998.
11. Outpatient orthopedics CI for senior PT student from Texas Woman’s University, spring 1996.
12. Assistant CI for PTA and PT students in acute care, pediatrics, and outpatient orthopedics, 1996-1999.

HONORS AND AWARDS

1. Recipient, National Small Business Leadership Award. 2003, 2004, 2005.
2. President’s Honor Roll, University of Oklahoma, OUHSC. 1995.
3. Dean’s Honor Roll, University of Central Oklahoma.
4. Member, Kappa Tau Alpha, National Journalism Honor Society.
5. Letter of recognition for work with orthopedic outpatients, by Dr. Ed Tyson, MD, Assistant Professor of Pediatrics, Section of Adolescent Medicine, OU Health Sciences Center. August 1999.
6. Letter of recognition for work with a patient with denervation injury, by Norman S. Levine, MD, Chairman and Professor, Section of Plastic Surgery, OU Health Sciences Center. August 1995.

COMMUNITY AND VOLUNTEER

1. Health and Fitness Fair. Represented profession of physical therapy at Ralph Downs Elementary School, Nov. 8, 2007.
2. Senior Fall Fair. Represented profession of Physical Therapy at North Park Mall, October 27, 2007. Interviewed for local broadcast, KOFR, Channel 4 News. Oklahoma City, OK.
3. Xerox Company employee lecture about Physical Therapy profession and services, presented

DR. MARK WHITE, PT, DPT, OCS

E-MAIL: JMWHITEPT@COX.NET

COMMUNITY AND VOLUNTEER *(CONTINUED)*

- by invitation. October 9, 2002. Oklahoma City, OK.
4. Career Day. Represented profession of Physical Therapy at PC Central Intermediate School. May 11, 2001. Oklahoma City, OK.
 5. Oklahoma Natural Elite Body Building Championships. Represented profession of Physical Therapy at Midwest City High School. Spoke to public. April 28, 2001. Midwest City, OK.
 6. Legislative Fitness Day. Represented profession of Physical Therapy at Oklahoma State Capitol Building, 4th floor rotunda. Spoke to state legislators and public. Feb 26, 2003. Oklahoma City, OK.
 7. Legislative Fitness Day, March 28, 2001. Oklahoma City, OK.
 8. Legislative Fitness Day, 2000. Oklahoma City, OK.
 9. Legislative Fitness Day, 1999. Oklahoma City, OK.
 10. Health Fair. Represented profession of Physical Therapy at Oklahoma Center for Healthy Living, OUHSC. Spoke to public. 1999. Oklahoma City, OK.
 11. Health Fair. 1998. Oklahoma City, OK.

PROFESSIONAL ORGANIZATION MEMBERSHIP

1. Founding Member, Oklahoma Physical Therapy Foundation, 2003.
2. Member, Orthopedic Specialty Section of the American Physical Therapy Association since 2000.
3. Member, American Physical Therapy Association since 1995.
4. Member, Oklahoma Physical Therapy Association since 1995.

CONTINUING EDUCATION

1. "Lumbar Instability: Examination, Diagnosis, and Interventions." Presented by Dr. Bridgit Finley, PT, DPT, MS, OCS. 2 contact hours. November. 15, 2007. Oklahoma City, OK.
2. "Evaluation and Intervention for Musculoskeletal Injuries: a Biomechanical Approach." Presented by Dr. Michael T. Gross, PT, PhD. 6 contact hours. October 18, 2007. Tulsa, OK.
3. "Ethics in Physical Therapy Practice." Presented by Suzanne Reese, PT. 3 contact hours. March 23, 2007. Oklahoma City, OK.
4. "Protecting the Profession — Feel the Danger!." A two session presentation of the Western District of the Oklahoma Physical Therapy Association. 4 total contact hours. June 3, 2006. Oklahoma City, OK. Session 1, 2 hours: "21st Century Chiropractic: Healing Art or Dangerous Hoax?" Presented by Dr. Bill Kinsinger, MD.
5. "Protecting the Profession — Feel the Danger!." A two session presentation of the Western District of the Oklahoma Physical Therapy Association. 4 total contact hours. June 3, 2006. Oklahoma City, OK. Session 2, 2 hours: "Manipulation of the System." Presented by Michael Teston, PT, MOMT.
6. "Bringing Closure to Closed Chain Exercises." Presented by Tom Purvis, PT. 2 contact hours. February 25, 2006. Oklahoma City, OK.
7. "Clinical Neuroanatomy to Better Understand CT and MRI Reports." Presented by Dr. Joseph Andrezik, MD. 1 contact hour. June 2, 2005. Oklahoma City, OK.
8. "Resistance Training for the Physical Therapist." Presented by Kevin Dunn, MPT, MAT. 1 contact hour. May 3, 2005. Oklahoma City, OK.
9. "Cardiac Rehabilitation." Presented by Elizabeth Bluebird, PT, MS, and Tamra Weimer, BS, RN, CCRN. 1 contact hour. June 3, 2004. Oklahoma City, OK.
10. "Navigating the Workers Compensation System." Presented by Debra Christian, PT. 1 con-

DR. MARK WHITE, PT, DPT, OCS

CONTINUING EDUCATION *(CONTINUED)*

- tact hour. November 13, 2003. Oklahoma City, OK.
11. "Reimbursement Basics: Practice Setting & APTA Guidelines." Presented by Sherry Lyall, PT, MPH. 1 contact hour. August 19, 2003. Oklahoma City, OK.
 12. "Body Weight Support Treadmill Training." Presented by Karen McCain, PT, NCS. 2.7 contact hours. April 26, 2003. Tulsa, OK.
 13. "Techniques, Tools, and Tips for Tough Patients." Presented by Dr. Douglas D. Kelsey, PT, PhD, OCS. 12.25 contact hours. April 18-19, 2003. Dallas, TX.
 14. "Why: Access for Children Receiving Services Under the Individuals with Disabilities Education Act, Amendments of 1997." Hosted by Western District of OPTA. Presented by Lynn Jeffries, PT, MS, PCS. 1 contact hour. February 20, 2003. Oklahoma City, OK.
 15. "Clinical Decision Making: Medical Screening and Diagnostic Imaging." Hosted by OUHSC College of Allied Health, Department of Rehabilitation Sciences. Presented by Dr. William Boissonnault, PT, DHSc, FAAOMPT. 6 contact hours. October 5, 2002. Oklahoma City, OK.
 16. "Clinical Decision Making: Medical Screening and Diagnostic Imaging." Hosted by OUHSC College of Allied Health, Department of Rehabilitation Sciences. Presented by Dr. William Boissonnault, PT, DHSc, FAAOMPT. 6 contact hours, with lab. October 6, 2002. Oklahoma City, OK. — Attendance by special invitation only for select clinicians.
 17. "Lymphedema Overview," Hosted by Western District of OPTA. Presented by Don Landis, PT. 1 contact hour. June 13, 2002. Oklahoma City, OK.
 18. "The Special Edition: Breakthroughs in Clinical Assessment and Treatment," Presented by Dr. Douglas D. Kelsey, PT, PhD, OCS. 12 contact hours. May 4-5, 2002. Tulsa, OK
 19. "Biosurgical Wound Healing." Hosted by Western District of OPTA. Presented by Cheryl Allen, PT, CWS. 1 contact hour. March 14, 2002. Oklahoma City, OK.
 20. "Promoting Physical Activity Among People with Arthritis." Hosted by Oklahoma State Department of Health in conjunction with the Oklahoma Arthritis Network. Marissa New, OTR, MPH local moderator. 3 contact hours. January 17, 2002. Oklahoma City, OK.
 21. "Legal Issues in Healthcare Practice for Physical Therapists." Hosted by Western District of OPTA. Presented by Aliya Chaudry, PT, MBA, JD. 1 contact hour. October 18, 2001. Oklahoma City, OK.
 22. Post-Professional Program, Advanced Orthopedic Physical Therapy Residency. Presented by Dr. Douglas D. Kelsey, PT, PhD, OCS, and Dr. Ed Tyson, MD. 18-20 contact hours per course. Oklahoma City, OK. Dates and course sections (October 1999-January 2001) follow this first course listing — Cervical Spine: October 1-3, 1999.
 23. Lumbar Spine: November 12-14, 1999. (Orthopedic Residency)
 24. Pelvis: January 21-23, 2000. (Orthopedic Residency)
 25. Thoracic Spine: February 25-27, 2000. (Orthopedic Residency)
 26. Shoulder: March 24-26, 2000. (Orthopedic Residency)
 27. Hip and Knee: April 28-30, 2000. (Orthopedic Residency)
 28. Foot and Ankle: June 2-4, 2000. (Orthopedic Residency)
 29. Multi-Regional Coupling Patterns: November 10-12, 2000. (Orthopedic Residency)
 30. Shoulder & Target Tissue Training: January 12-14, 2001. (Orthopedic Residency)
 31. "Orthopedics: Surgical Procedures and Interventions." Sponsored by Integris Jim Thorpe Rehabilitation Network Professional Development Department. 3.5 contact hours. July 21, 2000. Oklahoma City, OK.
 32. "Rheumatology on the Plaza, Arthritis & Osteoporosis Care: a Hands on Approach." Sponsored by Saint Luke's Hospital of Kansas City, KS, and presented by the Arthritis Foundation (Western MO/Greater KC chapters). 9.5 contact hours. April 14, 2000. Kansas

CONTINUING EDUCATION *(CONTINUED)*

- City, MO.
33. Pain Relief Seminars, "Differential Diagnosis Series: Lumbar Spine/Lower Extremity," presented by Marianna Hendrycy, PT. 1.0 CEUs. August 28-29, 1999. Oklahoma City, OK.
 34. "A Guide to Proper Weightlifting Technique," (includes specialist certification by the International Weightlifting Association as a "Certified Weight Trainer", expired November 14, 2000). Presented by Christopher P. Kolba, PT, MHS, CSCS. 1.2 CEUs. November 14, 1998. Oklahoma City, OK.
 35. "Movement System Balance Theory (Level 1)", presented by Dr. Shirley A. Sahrman, PT, PhD, FAPTA. 1.2 CEUs. October 24-25, 1998. OUHSC, Oklahoma City, OK.
 36. "Cornerstone Series: Evaluation & Treatment of the Cervical Spine", presented by Dr. Douglas D. Kelsey, PT, PhD, OCS, Associate Professor, OUHSC. 1.6 CEUs. May 17-18, 1997. OUHSC, Oklahoma City, OK.
 37. "Spine Trauma" Lecture Series. Hosted by Dr. Houshang Seradge, MD, FICS, President and Medical Director, Orthopaedic & Reconstructive Center. 1.5 contact hours. February 7, 1997. Oklahoma City, OK.
 38. "Strategies for Successful Treatment of the Lumbar Spine & Pelvis", presented by Dr. Douglas D. Kelsey, PT, PhD, OCS. 1.9 CEUs. July 14-16, 1995. Oklahoma City, OK.

ONGOING RESEARCH & SCHOLARLY ACTIVITIES

1. Development of Load Tolerance Classification Categories, a New Clinical Tool to Aid Decision-Making in the Examination and Management of Musculoskeletal Disorders: Chronic Low Back Pain. Role: principle investigator. Stage: manuscript preparation.
2. Reliability of Load Tolerance Testing: a Multi-Site Investigation of Load Tolerance Response Compared to Reference Data and Assessment of Practitioner Selection of Load Tolerance Classification Category for Patients with Chronic Low Back Pain. Role: principle investigator. Stage: manuscript preparation.
3. Development and Preliminary Validation of Load Tolerance Testing: a New Clinical Prediction Rule to Identify Patients with Chronic Low Back Pain Who May Be Helped with Unloading Exercise Therapy, Target Tissue Training, and Education. Role: principle investigator. Stage: manuscript preparation.
4. Fundamentals of Load Tolerance Testing: Computational Methods, Quantitative Analysis, and Regionally Specific Variants with Sub-classification of Compression & Tension Syndromes & Equivocal States. Role: author. Stage: manuscript preparation.
5. Prevalence of Candidates for Lumbar Spinal Manipulation Using Clinical Prediction Rules: A Multi-Site Study of Outpatient Settings. Role: principle investigator. Stage: manuscript preparation.
6. Does Specialized PT Result in Superior Outcomes Compared to Standard PT for Chronic Low Back Pain in an Outpatient Setting? A Single Subject Study in an AB Study Design with Repeated Measures. Role: principle investigator. Stage: manuscript preparation.
7. Reliability and Validity of Incliniometry for Postural Assessment, a Case Study. Role: principle investigator. Stage: manuscript preparation.
8. Rotator Cuff Tendonopathy Treated with Unloading Exercise Therapy and Target Tissue Training, an A-B Case Series Design with Outcomes Assessment. Role: Principle Investigator. Stage: manuscript preparation.
